This schedule is for volunteer groups who have 1 to 11 volunteers who want to earn additional money for their group, but are not large enough to schedule a date on the Fundraising Agreement. Use this form to let me know your availability. Please follow the usual procedure:

1. Submit Agreement & w9 (if you put dates on the Agreement we will expect 12 or more volunteers)
2. All volunteers must attend training, and follow all volunteer group policies.
3. √ Check column 6 with all dates your group is available to work.
4. Write the number of volunteers that will be working on that day.
5. Send this form to me as many times as you need to.
